

Dear Parents:

WOW! It's hard to believe the school year is over; how fast the time has gone by; and how much the children have grown.

One of my goals was to make learning FUN. I hope I have succeeded at that. Being the lead teacher this year has given me a greater awareness of just how different and unique each child can be. Each child has learned so much this year and has done their very best. This is just the beginning of many more years of learning.

I would ask that you, as parents, help your child during the summer by reading to them and encouraging them to read (at their level). Help them participate in creative recreation. This will help them to enter Kindergarten better prepared.

Please continue instilling Christian values in your children. We have enjoyed watching them learn and grow. We would love to occasionally hear from you about how your child is progressing.

God Bless you all,

Sister Donna DeWitt & Sister Elizabeth Mathai
