

Transitioning ONES

Welcome parents and family members! I am Ms. Krystal and I am the morning teacher for this classroom. My schedule will typically be 7:30AM-1PM. In the afternoon we will have Ms. Teresa.

As you may know our classroom is one in which the children have a seamless transition to the one year old room. They are learning and growing so much each day to help them prepare.

Our kiddos are learning to walk with shoes and maintain balance, drink from sippy cups, eat table food, and are practicing to wash their hands at the sink! Lots of progress and fun!

Some of our friends have even starting visiting the one's classroom since they have shown so much improvement.

Reminders: Please send extra clothes for their baskets. Sign in sheets are on the bulletin board by the high chairs.
