

December

We hope that everyone had a great Thanksgiving and spent lots of time with Family and relaxing. It's hard to believe that Christmas is right around the corner and will afford us all even more family time.

Don't forget about our Parent Appreciation Night where we watch your child(ren) so that you can enjoy a night out (or in) shopping, relaxing, taking in a movie, etc. This is our special gift to all our wonderful families. Be sure to let us know if you will be participating.

We have all really enjoyed making all the special items that we have for you on Christmas. We know you will love them.

This month, we are going to work on our fine and gross motor skills. We will practice holding on to things; filling and dumping; and some of us can even try stacking one thing on top of another. We will continue to practice standing, crawling, pulling up on things and jumping in the bouncer.

We still love our buggy rides and going to assembly in the morning. Make sure to dress for the weather in case we do get cold spells or pack those additional items, so we can layer ourselves.

Thanks, as always, for your monthly donation of wipes.

Wishing you and yours a very Merry Christmas and a Happy New Year!

Ms. Linda

Ms. Mary Ann

Ms. Katelyn
