Dear Parents,

To continue our efforts to always provide quick and timely communication to our families, we use **Remind** to help keep you informed of important news and updates. **Remind** is a free service that allows you to get messages directly on your phone via text or the **Remind** app. Some may be familiar with **Remind** as this service is frequently used in the public-school system.

While the facility uses **Remind**, your child's teacher may or may not elect to use it for their classes depending on their needs. You will receive a separate notice from them in the event they plan to use it for class notices and communication.

Joining **Remind** is easy, and you only need to join your child/ren's class once to receive both facility and class messages, where applicable. You can choose whether you prefer text messages or smartphone notifications via the **Remind** app.

Follow one of the instructions below to get set up and that's all you need to do to start receiving messages! *If your student is returning, be sure to update your child's class code if they have moved or the class has changed.*

Signing up for text messages

1. Text your child/ren's class code to the phone number 81010.
2. Reply to the text messages from the Remind team.

Signing up for smartphone notifications

1. Download the **Remind** app on your Android or iOS device. You can access the installation link at rmd.me/a.
2. Open the app and create an account (or log in if you already have one).
3. Tap the + by classes joined and enter the class code.

Infant	**@shecc-inf**
Ones	**@shecc-one**
Toddlers	**@shecc-tod**
Preschool I (A)	**@shecc-ps1a**
Preschool I (B)	**@shecc-ps1b**
Preschool II	**@shecc-ps2**
VPK (A) w/wrap	**@shecc-vpka**
VPK (B)	**@shecc-vpkb**
School Agers	**@shecc-sch**

A few other things you might like to know:

- Personal contact information (like cell phone numbers) will not be visible on **Remind**.
- All messages will be recorded in logs that you can access and download.
- We may choose to receive messages on **Remind**.
