

Peek at Our Week

Standard Focus	Activity	Home Extension Activity
<p>D. Earth and Space</p> <ul style="list-style-type: none"> Benchmark c: Begins to observe the sun, clouds and transition from day to night. 	<p>The children will observe making a rain cloud. A jar with shaving cream and blue food coloring.</p>	<p>Rain drops and clouds treat: Blueberries in a cup. (rain drops) Whipped cream on top. (clouds)</p>
<p>Creative Expression through the Arts.</p> <ul style="list-style-type: none"> E. Appreciation of the Arts.'1. Shows curiosity in different forms of artistic expressions. (e.g., music, art, and dance) 	<p>The children will discover making different sounds. The artistic expression will be different size cans of metal. They each will have water in them. We will discover the different sounds we can make in relation to volume of the water in the different sized cans. We will do this by tapping each can with the water in them.</p>	<p>Music at home: The children can create different sounds with different pots and pans. Water can be added to the pans for a different sound effect.</p>
<p>Physical Development C. Personal Care Routines</p> <ul style="list-style-type: none"> Benchmark a: Responds and cooperates in ways that demonstrate awareness of hygiene routine. (e.g., grabs washcloth as adult washes child's face) 	<p>The children will engage in washing their hands and face daily. They will be given a washcloth for this classroom activity.</p>	<p>Practice the classroom hand washing song</p> <p>Tops and bottoms, Tops and bottoms, In between, In between, Scrubba-dubba-dubba, Scrubba-dubba-dubba Now all clean. Now all clean.</p>
