Peek at Our Week

Standard Focus	Activity	Home Extension Activity
<p>Benchmark a. Begins to act and move with intention and purpose</p>	<p>We will play a game with different color hoops. As the children step into the hoop we will name the color of the hoop that they are standing in.</p>	<p>Use sidewalk chalk at home and name the colors that you are using.</p>
<p>Uses hands for play and functional tasks (e.g., putting hands on bottle, reaching for and grasping toy)</p>	<p>The children will take pom poms in their hands and we will name each color as we put them into a bowl.</p>	<p>At home with your child if you do not have pom pom's you can get them in the craft area at the store. Once you have them at home you can have your child pick up a pom pom and glue it on a piece of paper. As you are gluing the pom pom name the color of the pom pom.</p>
<p>Matches objects that have a singular attribute (e.g., color, shape, size)</p>	<p>I will have different color blocks and we will be matching blocks with the same colors and building a tower with all the same color blocks that we were able to match.</p>	<p>Read a book about colors and as you are reading name and point to the different colors on the pages of the book.</p>
