<p>IV. Language and Understanding A. LISTENING AND UNDERSTANDING 1. Demonstrates understanding when listening Benchmark a. Engages in multiple back-and-forth communicative interactions with adults and peers in purposeful and novel situations to reach a goal 2. Increases knowledge through listening Benchmark a. Tells the main idea or topic of a conversation, story, informational text or creative play, and makes a connection</p>	<p>What is the Bible? We will be holding a discussion in circle about who wrote it, that it has two testaments and that those testaments contain different stories, including the life of Jesus.</p>	<p>During dinner this week hold a family discussion and talk about your FAVORITE Bible stories and why they are your favorite.</p> 
<p>VIII. Creative Expression Through the Arts A. SENSORY ART EXPERIENCE 1. Uses imagination and creativity to express self with intention using a variety of open-ended, process-oriented and diverse art materials</p>	<p>Sunflowers in Tuscany- We will be discussing the beautiful yellow sunflower fields of Tuscany. Afterwards the children can create their own sunflowers out of pasta and sunflower seeds.</p>	<p>Have fun with your food this week! What other art can you create with food?</p> 
<p>VI. Scientific Inquiry A. SCIENTIFIC INQUIRY THROUGH EXPLORATION AND DISCOVERY 3. Uses understanding of causal relationships to act on social and physical environments Benchmark a. Makes simple predictions and reflects on what caused something to happen</p>	<p>TINT! The children will learn that by adding white with yellow we can create different tints! The children will have a chance to freely create their own yellow tint in the science center</p>	<p>The next time at a store with your child, take them to the paint aisle and show them all the different colors and tints of the colors. Which is their favorite, which is yours?</p>
