

STANDARDS	ACTIVITY	HOME EXTENSION
<p><b>Faith Formation-</b> Creation</p> 	<p>During circle this week we will take the children out to the butterfly garden and sit or lay on the ground, to rest and enjoy all of God's creations. We will discuss with the children, the 7 Days of Creation and ask them questions about it.</p>	<p>On Day 7, God rested. Take a moment to rest with your child, talk about all of God's Creations.</p>
<p><b>Second Step/ Skill Streaming-</b> Not Interrupting</p>	<p>At circle this week, we will encourage the children to not interrupt during the book. Every time we get through a page in the book without interruptions, they get a gold star on the wall. Encourage them to hold up their hands when they have something to say. Give out gold star stickers after the book, if we get through the book with limited interruptions.</p>	<p>During bedtime stories this week, encourage your child not to interrupt and to wait to ask questions until you are finished with a page.</p> 
<p><b>V. Mathematical Thinking D. GEOMETRY</b> 1. Recognizes and names typical shapes (circle, square, triangle)</p> 	<p>Shape hunt- during circle, we will have magnifying glasses made into different shapes (circle, rectangle, square, triangle). We will introduce them to the children and talk about the different shapes. select the <b>RECTANGLE</b> magnifying glass and let the children walk around the room with a teacher and use their magnifying glass to identify items that are shaped like <b>RECTANGLE</b> in the room.</p>	<p>Go on a shape hunt with your child around the house and see how many items that you can identify that are rectangular.</p>
