Senses

Week of October 10, 2022

Standards	Activities	Home Extension
<p>V Mathematical Thinking C.Patterns 1.Matches objects that have a similar attribute. (size, shape, color etc.)</p> <p>III Social Emotional Functioning A.Emotional Functioning Begins to physically respond to the feelings of others</p> <p>I Physical Development A.Health and Wellbeing Engage in physical activities with increasing balance, coordination, endurance and intensity.</p>	<p>Apple sorting! We will have apples of each color: red, yellow and green. The children can sort the apples by size, shape and color. And we will be using our sense of taste as well 😊</p> <p>We will play pass the apple to our friend. In the process we are practicing taking turns with our friends. Song choice: I love red Apples</p> <p>Practice hand washing using our self-help skills. Child size sinks as well as child size step stools are provided to aid in this process with teacher assistance as well.</p>	<p>Cut two different colored apples into slices and have your child sort them out by color.</p> <p>Allow your child's favorite toy to be passed between your child and another person to see how they do with it being out of their possession for that length of time. Discuss the emotions they have during that time with them.</p> <p>Practice using self-help skills to wash hands at home too. Practice makes perfect 😊</p>
